Initial Assessment fees:

Full Assessment: R2294.70

This includes case history, initial consultation (821023) and assessment (821053), parent feedback consultation (821023), comprehensive report (820020) with recommendations and telephonic contact with other professionals, where indicated.

While Discovery health members will receive the full amount back for the ASSESSMENT fee, **provided funds are available**, it remains the responsibility of every client to contact their medical aid to find out the rates for the codes which will be billed in order to understand how much their scheme / plan will reimburse the member.

Initial Consultation (children under 2.6 years): up to R1285.00 (821023, 821053) Discovery Health Rates Apply.

This includes a case history / parent interview and informal / formal assessment. This fee DOES NOT include a written report.
